Hi Alex,

Attached are draft points for your meeting tomorrow with the NH delegation. Per your request I have covered TSCA implementation and PFAS including OCSPP work in PFAS based on your points from Monday. Also I have attached a redline showing where OPPT has modified the previous points on OCSPP and PFAS to flow more like Tala's presentation. Please let me know of any comments, etc. **Ruth please print for Alex's talking points file for review tonight. Thanks.**
